**Organized by:** Women's College of Home Science and BCA, Loni

The BCA Department of Women's College of Home Science and BCA, Loni organized an Alumni Interactive Session on Strategic Job Placement Success, which took place online on February 12, 2024. The session featured Ms. Rachana Tajane, Jr. Editorial Advisor at Springer Nature, Pune, as the guest speaker. Attendees, including approximately 97-100 students and enthusiastic teachers, were greeted with an introduction by Mrs. Surekha Jadhav, the Alumni Coordinator, followed by additional insights about the speaker from I/c Principal Dr. Anushri Khaire and Head of BCA Department Mr. Sanjay Wani.

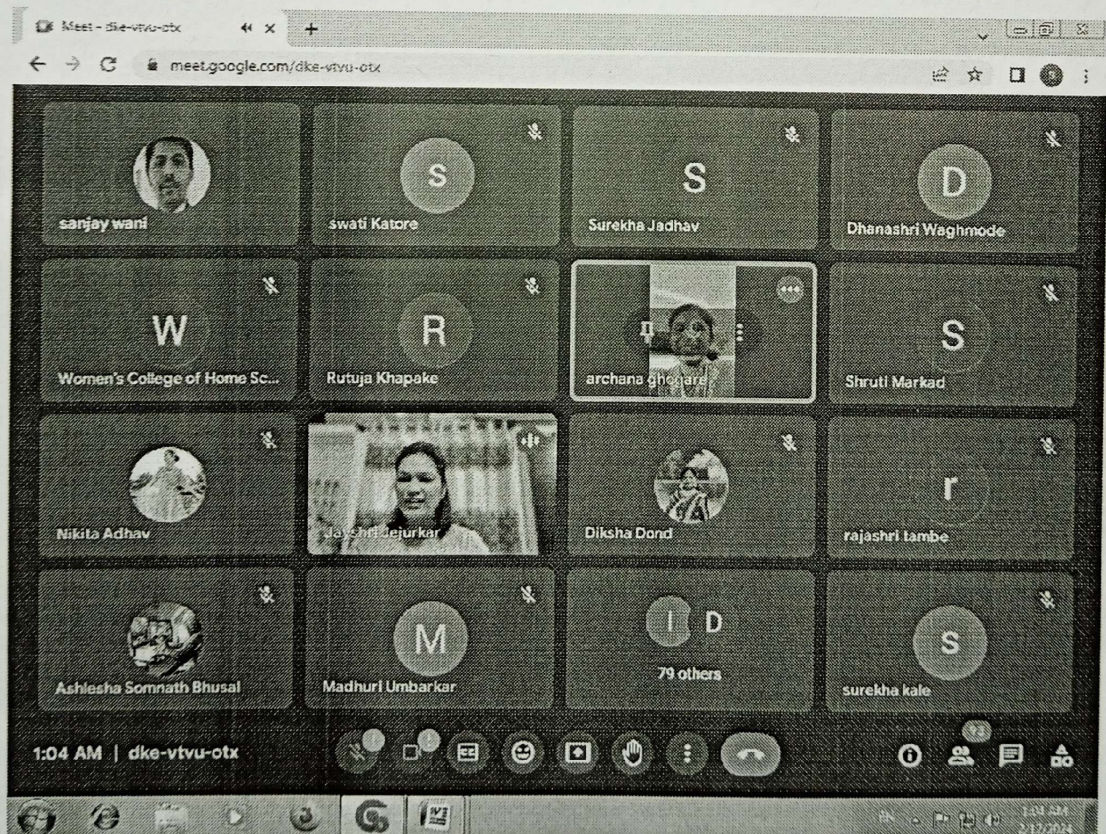

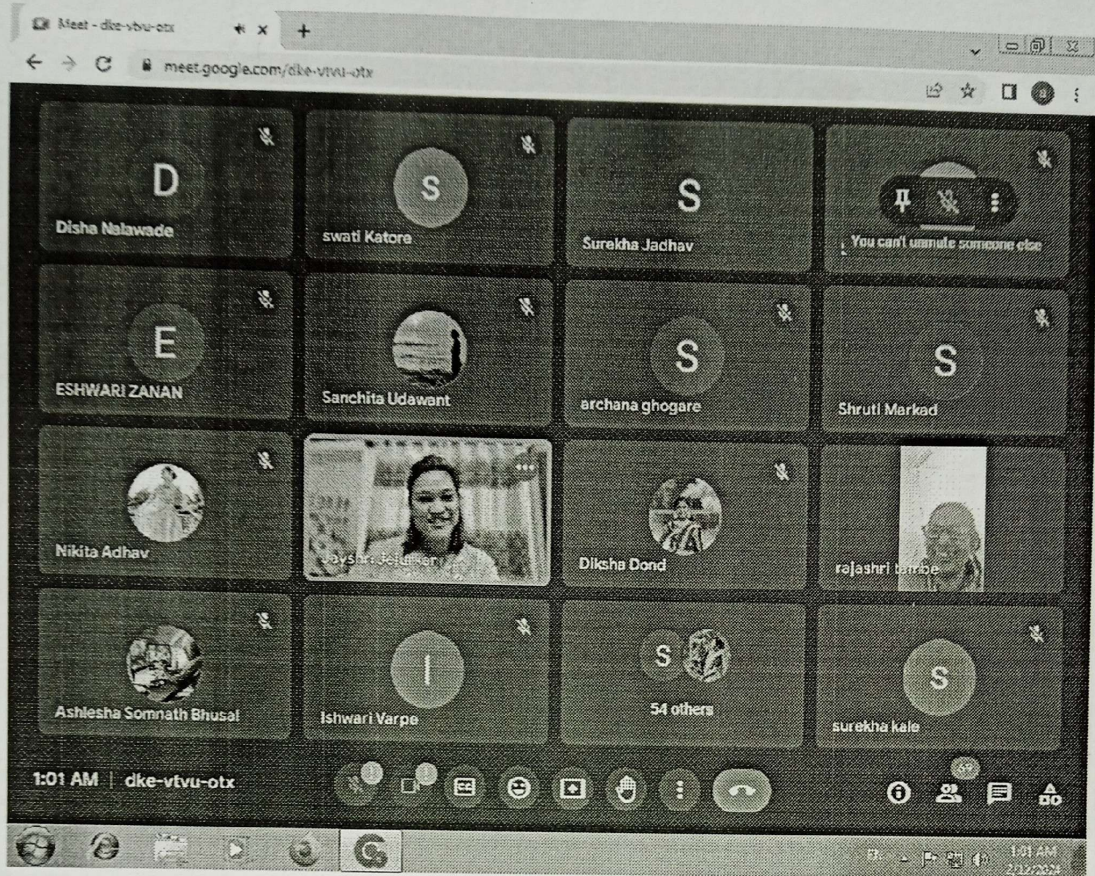

Throughout the session, Ms. Tajane covered various pertinent topics, beginning with the significance of fields like Data Science and Data Analytics in today's job market. She delved into the process of Data Mining and emphasized the importance of skills like Machine Learning and Python. Moreover, Ms. Tajane stressed the value of pursuing postgraduate education for career advancement. Practical advice on resume formatting was provided, with a focus on keeping resumes concise, especially for freshers, along with guidance on tailoring resumes to fit the preferences of different companies. Confidence building for interviews was also highlighted, with suggestions for teachers to support students in this aspect. Ms. Tajane encouraged students to create their own resumes and utilize job portals like Naukri.com, advising them to keep profiles updated and open to various job opportunities.

Furthermore, she underscored the importance of undertaking meaningful projects and staying updated with industry trends, particularly in areas like PHP programming. The session concluded with reflections on the interactive nature of the discussion and recommendations for future sessions, suggesting practical workshops on resume writing and interview preparation to further enhance students' readiness for the job market.

Overall, the session provided valuable insights and guidance on strategic job placement success, fostering meaningful engagement between the alumni speaker and the attending students and teachers.
